Drug Use - Then and Now

How and when did you first get involved with drugs?

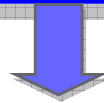

When did you last use drugs?

What and how did you use them?

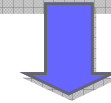

Where were you?

Who were you with?

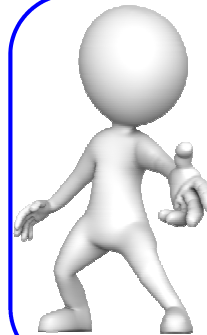

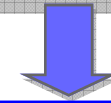

Has anything changed about your drug use since you first used drugs?

Have you had any periods when you have been drug-free?
If so, when and for how long?

What helped you get drug-free?

How useful was this map and discussion?
